

6.4/3.2 Heat Shrink 3m long

Price :

£ 1.59

Catalog No. : **EPF-SH-6.4/3.2**

Availability : **Available**

Stock : **very high**

Rating : **no reviews**

Flexible, self-extinguishing pipe for general use with a coefficient of contraction 2-1. Have good mechanical and electrical parameters, as well as the relatively low temperature shrink, allowing faster and more accurately to constrict. Optimal relationship value for money. Basic applications: isolation and identification of wires, ochrone mechaniczna. Meets EG directives: 2002/95/EG (RoHS), 2002/96/EG (WEEE) and 2003/11/E.
